

Minn Thu Ta

Junior Web Developer

ABOUT ME

I'm a **results-driven** and highly motivated **self-taught** developer with a passion for crafting innovative and efficient web solutions. Eager to contribute my skills and dedication as a **Junior Web Developer** in a dynamic and collaborative work environment. Possessing a solid foundation in **front-end** and **back-end** technologies. I excel in turning conceptual ideas into practical, user-friendly applications.

EXPERIENCE

BACKEND DEVELOPER INTERN

Sep 2023-Jan 2024

May Myanmar Lin I Pazuntaung Tsp, Yangon

- I experienced the dynamic world of backend development for the first time.
- Focused primarily on **PHP** and its powerful framework, **Laravel**.
- Gained **hands-on experience** in building robust and scalable web applications.
- Working closely with senior developers enhanced my skills in backend technologies
- Also developed a solid foundation, including **database management** and **server-side scripting**
